

TEAM PENNSYLVANIA

Governor Tom Wolf & Brian Jackson, Co-chairs

Pennsylvania Energy Horizons Cross-Sector Collaborative In-Person Meeting

September 13 | 9:00am-4:00pm | Agenda

Objectives:

1. Align around a common vision and strategy for advancing carbon capture, utilization and storage (CCUS) and hydrogen development in Pennsylvania, and;
2. Translate the CCUS and Hydrogen Roadmap into action, committing to specific deliverables and next steps to advance shared goals.

Morning: Clarifying the Path Forward

What will it take to get Pennsylvania “open for business” for CCUS and hydrogen project development? What is the role of this Collaborative in making that vision a reality? Morning sessions will introduce findings from the soon-to-be released “Roadmap on Carbon Management and Hydrogen Development in Pennsylvania,” from Great Plains Institute. We’ll discuss what’s needed and what’s next to translate this roadmap into action.
